

**Court of Appeals, State of Michigan**

**ORDER**

**People of MI v Carl Dale Standen**

Docket No. **353491**

LC No. **19-009307-FH**

---

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction because the April 13, 2020 judgment of sentence, which was based upon a plea of guilty to a crime committed after December 27, 1994, is not appealable as a matter of right. MCR 7.203(A)(1)(b). Dismissal is without prejudice to the filing of an application for leave to appeal under MCR 7.205(G), provided such a filing meets all requirements under the court rules and is not time-barred.

The Court also notes that, because the claim of appeal was filed by an attorney, it should have been filed through this Court's electronic filing system pursuant to the mandatory electronic filing requirement for attorneys making filings in this Court under Amended Administrative Order 2014-23.
